

RESTRICTIONS FOR
SHENANDOAH ESTATES SUBDIVISION, TWENTIETH FILING
LOTS 2305 THROUGH 2331, INCLUSIVE

STATE OF LOUISIANA

PARISH OF EAST BATON ROUGE

BEFORE ME, the undersigned authority, personally came and appeared:

SHENANDOAH CORPORATION, a Louisiana corporation with its principal business establishment in the Parish of East Baton Rouge, Louisiana, herein represented by W. T. Harger, its President, duly authorized hereto,

who after being duly sworn, declared that:

SHENANDOAH CORPORATION is the owner of Shenandoah Estates Subdivision, Twentieth Filing, situated in the Parish of East Baton Rouge, Louisiana, all according to the official plan of Shenandoah Estates Subdivision, Twentieth Filing, Lots 2305 through 2331, inclusive, prepared by Evans-Graves Engineers, Inc., on file in the office of the Clerk and Recorder for the Parish of East Baton Rouge, Louisiana.

APPEARER, on behalf of Shenandoah Corporation establishes the following protective covenants and restrictions affecting lots in Shenandoah Estates Subdivision, Twentieth Filing, Lots 2305 through 2331, inclusive, which restrictions shall run with the land and shall be in favor of each and all of the lots in Shenandoah Estates Subdivision, Twentieth Filing, Lots 2305 through 2331, inclusive, and shall be in favor of Shenandoah Corporation as well, and shall be binding upon the purchaser, owner or occupant of any of the property described above, their heirs, successors and assigns. The following restrictions are imposed.

1.1 All of the lots contained in Shenandoah Estates Subdivision, Twentieth Filing, Lots 2305 through 2331, inclusive, are hereby designated as residential lots, and no building shall be erected, altered, placed or permitted to remain on any residential lot other than one (1) detached single-family dwelling not to exceed two and one-half (2-1/2) stories in height and a private garage for not more than four automobiles.

1.2 No lot shall be used for duplex housing or apartment houses or home occupations such as beauty shops, doctor's offices, dress shops, backyard automobile repairs and related activities.

1.3 No school, church, assembly hall or fraternal group home shall be built or permitted on any lot in Shenandoah Estates Subdivision, Twentieth Filing, Lots 2305 through 2331, inclusive.

1.4 Nothing in these restrictions shall prohibit an owner of any two adjoining lots having frontage on the same street from erecting a residence on the two lots which shall be considered, for the purpose of these restrictions, as one building lot.

2. These restrictions prohibit a resubdivision of any lots from any dimensions other than those shown on the official recorded plat of Shenandoah Estates Subdivision, Twentieth Filing, Lots 2305 through 2331, inclusive, without the written consent of the Shenandoah Estates Subdivision Council, Twentieth Filing.

3.1 No residence or building of any kind and no improvement which extends above ground level and no fence will be erected, placed, altered, or permitted on any lot until the construction plans and specifications, elevations and a plan showing the location of the structure have been approved by the Shenandoah Estates Subdivision Council, Twentieth Filing. Approval or disapproval by the Council shall be in writing. Construction shall be substantially in accordance with the plans and specification approved by the Council.

3.2 If the construction of the proposed house or other structure has not commenced within six (6) months after the Council's approval, approval of the Council shall be considered withdrawn and new approval for the proposed construction shall be obtained. However, the Council may grant extensions of an approval from time to time for good cause. If the construction of the proposed structure is not commenced within six (6) months following the approval of the Council for any reasons beyond the control of the lot owner or his contractor, such as acts of God, strikes, national calamities, or related events, then the approval of the Council shall be extended in proportion to the delay caused by the event.

3.3 In the event the Shenandoah Estates Subdivision Council, Twentieth Filing, fails to approve or disapprove within thirty (30) days after

plans and specifications have been submitted to it, approval will not be required by the Council and the related restrictions shall be deemed to have been fully complied with.

4. The minimum area requirements for residential structures shall be as follows:

4.1 A single-story residence shall contain no less than 2,200 square feet of living area.

4.2 A multi-story residence shall contain no less than 2,400 square feet of living area, with a minimum of 1,400 square feet of living area on the ground floor.

4.3 The determination of "living area" shall exclude open porches, screened porches, porches with removable storm windows, breezeways, patios, outside or unfinished storage or utility areas, garages and carports.

5. Building set back lines are imposed as shown on the official recorded plat of Shenandoah Estates Subdivision, Twentieth Filing, on file in the office of the Clerk and Recorder for the Parish of East Baton Rouge, Louisiana.

5.1 No building shall be located on any lot nearer to the side property line than eight (8) feet.

5.2 Garages and carports may be attached to the main dwelling, but must not be nearer to the side property line and eight (8) feet.

5.3 Detached garages and other permanent accessory buildings shall be located on the rear one-third (1/3) of the lot, shall not be erected closer than five (5) feet from the side property line nor closer than seven and one-half (7-1/2) feet from the rear property line. Eaves on such garages or accessory buildings shall not extend over the property lines.

5.4 A maximum building set back line shall not be greater than fifty-five (55) feet. For the purpose of these restrictions, eaves, steps and open porches shall not be considered as part of the building. The minimum building set back line shall be thirty (30) feet. No garage or carport shall open to any street on which the residence faces.

5.5 No fence or wall shall be erected, placed or altered on any lot closer to the street than the building set back line.

6. The Shenandoah Estates Subdivision Council, Twentieth Filing, its sole discretion, shall approve or disapprove proposed construction

according to its policy of maintaining a minimum of five (5') feet variance on front lines of adjacent houses, and the Council may require such variance. The Council shall have the authority to vary the front and side building line requirements in cases where such variance would prevent the destruction of one or more desirable trees; provided, however, in no instance may the front or side building line requirements be less than required by the applicable zoning ordinance unless waiver of those requirements is obtained.

7.1 Servitudes and rights of way for the installation and maintenance of utility and drainage facilities, as shown on the official recorded plat of Shenandoah Estates Subdivision, Twentieth Filing, are dedicated to the perpetual use of the public for such purposes.

7.2 Only underground electric service at 120/240 volts, single phase, 3 wire will be available and the locked rotor current of any motor connected to this service will be limited in accordance with the standard service practices of the utility company serving the subdivision.

7.3 Electric rates for residential use in this subdivision will be the appropriate rate approved for filing by the Louisiana Public Service Commission.

8. All buildings and structures on any lot shall be constructed thereon, and no building or structure may be moved onto any lot in the subdivision.

9. No structure of a temporary character and no trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence either temporarily or permanently.

10. No building or structure shall be constructed of imitation brick, imitation stone or asbestos on the exterior. The Shenandoah Estates Subdivision Council, Twentieth Filing, may impose appropriate and reasonable standards for exterior finishes and materials as it deems appropriate to maintain the value of adjacent dwellings in the subdivision.

11.1 The Shenandoah Estates Subdivision Council, Twentieth Filing, is hereby established and shall be composed of three members. The first three members of said Committee shall be:

William T. Harger, Baton Rouge, Louisiana

Rebecca L. Harger, Baton Rouge, Louisiana

Roland C. Kizer, Jr., Baton Rouge, Louisiana

Said Council is hereby granted the responsibility and authority at its sole discretion to approve the architecture and design of the buildings as to compliance with these restrictions.

11.2 A majority of the Committee may designate a representative to act for it. In the event of the death or resignation of any member of the Council the remaining members shall have full authority to designate a successor.

11.3 Neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed in connection with the administration of these restrictions.

11.4 A majority of the lot owners in Shenandoah Estates Subdivision, Twentieth Filing, Lots 2305 through 2331, inclusive, shall have the right at any time to change the membership of the Council or to amend any of its powers and duties by executing and recording in the office of the Clerk and Recorder for the Parish of East Baton Rouge, Louisiana, an appropriate written instrument.

12. No noxious or offensive activities shall be conducted upon any lot, nor shall anything be done thereon which may become an annoyance or nuisance to the neighborhood.

13. No sign of any kind shall be displayed to the public view on any lot or in the streets of the subdivision, except one sign of no more than five (5) square feet advertising the property for sale or rent, or a customary sign used by the builder or real estate broker to advertise the property during the construction or sale period, provided however, this restriction shall not apply to the developer of the subdivision.

14. No oil drilling, oil development operations, oil refinery, quarrying or mining operations of any kind shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. No derrick or other structures designed for use in boring for oil or natural gas shall be erected, maintained, or permitted upon any lot.

15. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot; provided, however, dogs, cats or other household pets are permitted, provided, further that such permissible animals are not kept, bred or maintained for any commercial purposes, or in such

numbers or conditions as may be offensive to other property owners in the subdivision.

16. No lot shall be used or maintained as a dumping ground for rubbish, trash, garbage or other waste. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. Upon completion of a residence, all debris shall be removed from the premises immediately. Garden compost may be kept in quantities required by one household only, provided it is not visible from the street and is kept free from obnoxious odors and insects.

17. Lot owners shall keep their respective lots mowed and free of noxious weeds. If an owner fails to discharge this obligation, the Shendoah Estates Subdivision Council, Twentieth Filing, may cause the lots to be mowed, and the owners of such lots shall be obligated to pay this expense together with reasonable costs of collection.

18. No boats, vehicles, campers or trailers of any kind or parts or appurtenances thereof shall be kept, stored, repaired or maintained on any street or on any lot nearer to the street than the minimum building set back line.

19. Building materials and equipment shall not be placed or stored on any lot except during actual course of construction of a residence or other building.

20. No lot shall be used for farming or gardening purposes; provided however, flowers and shrubbery may be grown for noncommercial purposes.

21. These restrictions shall run with the land and shall be binding on all persons claiming under them for a period of twenty-five years from the date these restrictions are recorded and shall be extended automatically for successive periods of ten (10) years unless an instrument amending these restrictions in whole or in part and signed by a majority of the lot owners in the subdivision shall be recorded in the office of the Clerk of Court for the Parish of East Baton Rouge, Louisiana.

22. Invalidation of any of the restrictions by judgment of a court of competent jurisdiction shall in no way affect any other restriction which shall remain in effect.

23. These restrictions shall be enforced against any person violating or attempting to violate any restrictions by legal proceedings to restrain the violation or to recover damages.

THUS DONE, READ AND SIGNED at my office in Baton Rouge, Louisiana, in the presence of the two undersigned competent witnesses, who have signed their names, together with appearer, and me, Notary, on the 26th day of May, 1983.
