REALTY DEVELOPMENT ASSOCIATES, INC., a Louisiana
corporation domiciled in East Baton Rouge Parish,
represented by John C. Wiese, its President, duly
authorized to act on behalf of the corporation,

who, after being duly sworn, declared that:

REALTY DEVELOPMENT ASSOCIATES, INC., is the owner of
Shenandoah Estates Subdivision, Eighth Filing, Lots 820 - 882,
situated in the Parish of East Baton Rouge, Louisiana, all according
to the official plan of Shenandoah Estates Subdivision, Eighth
Filing, Lots 820 - 882, prepared by Edward E. Evans and Associates,
Inc., Consulting Engineers, on file in the office of the Clerk of
Court for the Parish of East Baton Rouge, Louisiana.

APPFARER, on behalf of REALTY DEVELOPMENT ASSOCIATES,
INC., establishes the following protective covenants and restrictions
affecting lots in Shenandoah Estates Subdivision, Eighth Filing,
Lots 820 - 882, which restrictions shall run with the land and shall
be in favor of each and all of the lots in Shenandoah Estates
Subdivision, Eighth Filing, Lots 820 - 882, and shall be in favor
of REALTY DEVELOPMENT ASSOCIATES, INC. as well, and shall be binding
upon the purchaser, owner, or occupant of any of the property

described above, their heirs, successors, and assigns. The following restrictions are imposed:

1.1 All of the lots contained in this subdivision, Eighth Filing, Lots 820 - 882, are hereby designated as residential lots, and no building shall be erected, altered, placed or permitted to remain on any residential lot other than (1) one detached single-family dwelling not to exceed 2 1/2 stories in height and a private garage for not more than four automobiles.

1.2 No lot shall be used for duplex housing or apartment houses or home occupations such as beauty shops, doctor's offices, dress shops and related activities.

1.3 No school, church, assembly hall or fraternal group home shall be built or permitted on any lot in Shenandoah Estates Subdivision, Eighth Filing, Lots 820 - 882.

1.4 Nothing in these restrictions shall prohibit an owner of any two adjoining lots having frontage on the same street from erecting a residence on the two lots which shall be considered for the purpose of these restrictions, as one building lot.

2. These restrictions prohibit a resubdivision of any lots from any dimensions other than those shown on the official recorded plat of Shenandoah Estates Subdivision, Eighth Filing, Lots 820 - 882, without the written consent of the Shenandoah Estates Architectural Committee.

3.1 No residence or building of any kind and no improvement which extends above ground level and no fence shall be erected, placed, altered or permitted on any lot until the construction plans and specifications, elevations, and a plan showing the location of

the structure have been approved by the Shenandoah Estates Architectural Committee. Approval or disapproval by the Committee shall be in writing. Construction shall be substantially in accordance with the plans and specifications approved by the Committee.

3.2 If the construction of the proposed house or other structure has not commenced within six (6) months after the Committee's approval, approval of the Committee shall be considered withdrawn and new approval for the proposed construction shall be obtained. However, the Committee may grant extensions of an approval from time to time for good cause. If the construction of the proposed structure is not commenced within six (6) months following the approval of the Committee for such reasons beyond the control of the lot owner or his contractor, such as acts of God, strikes, national calamities, or related events, then the approval of the Committee shall be extended in proportion to the delay caused by the event.

608

3.3 In the event the Shenandoah Estates Architectural Committee fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, approval will not be required by the Committee and the related restrictions shall be deemed to have been fully complied with.

4. The minimum area requirements for residential structures shall be as follows:

4.1 A single story residence shall contain no less than 1,500 square feet of living area.

4.2 A multi-story residence shall contain no less than 2,000 square feet of living area, with a minimum of 1,200 square feet of living area on the ground floor.

4.3 The determination of "living area" shall exclude open porches, screened porches, porches with removable storm windows, breezeways, patios, outside or unfinished storage or utility areas, garages and carports.

5. Building set back lines are imposed as shown on the official recorded plat of Shenandoah Estates Subdivision, Eighth Filing, on file in the office of the Clerk and Recorder for the Parish of East Baton Rouge.

5.1 No building shall be located on any lot nearer to the side property line than eight (8) feet.

5.2 Garages and carports may be attached to the main dwelling, but must not be nearer to the side property line than eight (8) feet.

609

5.3 Detached garages and other permanent accessory buildings shall be located on the rear one-third of the lot, shall not be erected closer than five (5) feet from the side property line nor closer than seven and one-half (7 1/2) feet (fifteen feet on lots on subdivision perimeter) from the rear property line. Eaves on such garages or accessory buildings shall not extend over the property line.

5.4 A maximum building set back line shall not be greater than fifty-five (55) feet. For the purpose of these restrictions, eaves, steps and open porches shall not be considered as a part of the building. No garage or carport shall open to any street on which the residence faces.

5.5 No fence or wall shall be erected, placed or altered on any lot closer to the street than the minimum building set back line.

6. The Shenandoah Estates Architectural Committee, in its sole discretion, shall approve or disapprove proposed construction according to its policy of maintaining a minimum of five (5) feet variance on front lines of adjacent houses, and the Committee may require such a variance. The Committee shall have the authority to vary the front and side building line requirements in cases where the Committee finds topographical features warrant such a variance or

where such a variance would prevent the destruction of one or more desirable trees: provided, however, in no instance may the front or side building line requirements be less than required by A-1 Single Family Residence Zoning Ordinance unless waiver of those requirements is obtained.

7.1 Servitudes and rights of way for the installation and maintenance of utility and drainage facilities, as shown on the official recorded plat of Shenandoah Estates Subdivision, Eighth Filing, are dedicated to the perpetual use of the public for such purposes.

610 7.2 Only underground electric service at 120/240 volts, single phase, 3-wire will be available and the locked rotor current of any motor connected to this service will be limited in accordance with the standard service practices of the utility company serving the subdivision.

7.3 Electric rates for residential use in this subdivision will be the appropriate rate approved for filing by the Louisiana Public Service Commission.

8. All buildings and structures on any lot shall be constructed thereon and no building or structure may be moved onto any lot in the subdivision.

9. No structure of a temporary character and no trailer, basement, tent, shack, garage, barn or other outbuildings shall be used on any lot at any time as a residence either temporarily or permanently.

10. No building or structure shall be constructed of imitation brick, imitation stone, or asbestos on the exterior. The subdivision Committee may impose other appropriate and reasonable standards for exterior finishes and materials as it deems appropriate to maintain the value of adjacent dwellings in the subdivision.

11.1 The Shenandoah Estates Architectural Committee is hereby established and shall be composed of four members. The

The first four members of said Committee shall be:

John C. Wiese, 1925 Chopin Drive, Baton Rouge, Louisiana,
70806.

611 11.2 A majority of the Committee may designate a representative to act for it. In the event of the death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor.

11.3 Neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed in connection with the administration of these restrictions.

11.4 The lot owners in the Shenandoah Estates, Eighth Filing, shall have the right at any time by unanimous agreement to change the membership of the Committee or to amend any of its powers and duties by executing and recording in the Office of the Clerk and Recorder of the Parish of East Baton Rouge, Louisiana, an appropriate written instrument.

12. No noxious or offensive activities shall be conducted upon any lot, nor shall anything be done thereon which may become an annoyance or nuisance to the neighborhood.

13. No sign of any kind shall be displayed to the public view on any lot or in the streets of the subdivision, except one

sign of no more than five (5) square feet advertising the property for sale or rent, or a customary sign used by a builder or real estate broker to advertise the property during the construction or sale period; provided, however, this restriction shall not apply to the developer of the subdivision.

14. No oil drilling, oil development operations, oil refinery, quarrying or mining operations of any kind shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. No derrick or other structures designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.

612

15. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot; provided, further that such permissible animals are not kept, bred or maintained for any commercial purposes, or in such numbers or conditions as may be offensive to other property owners in the subdivision.

16. No lot shall be used or maintained as a dumping ground for rubbish, trash, garbage or other waste. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. Upon completion of a residence, all debris shall be removed from the premises immediately. Garden compost may be kept in quantities required by one household only, provided it is not visible from the street and is kept free from obnoxious odors and insects.

17. Lot owners shall keep their respective lots mowed and free from noxious weeds. If an owner fails to discharge this obligation, the Shenandoah Estates Architectural Committee may cause the lots to be mowed, and the owners of such lots shall be obligated to pay this expense together with reasonable costs of collection.

20. No lot shall be used for farming or gardening purposes: provided, however, flowers and shrubbery may be grown for non-commercial purposes.

21. These restrictions shall run with the land and shall be binding on all persons claiming under them for a period of twenty-five years from the date these restrictions are recorded and shall be extended automatically for successive periods of ten years unless an instrument amending the restrictions in whole or in part and signed by a majority of the lot owners in the subdivision shall be recorded in the Office of the Clerk of Court for the Parish of East Baton Rouge, Louisiana.

22. Invalidity of any of the restrictions by judgment of a court of competent jurisdiction shall in no way affect any other restriction which shall remain in effect.

23. These restrictions shall be enforced against any person violating or attempting to violate any restriction by legal proceedings to restrain the violation or to recover damages.
